

	Course Title
10252	Identify, inspect, use maintain and care for engineering hand tools.
10631	Demonstrate an understanding of manufacturing, principles, methodologies processes.
10981	Supervise work unit to achieve work unit objectives (individuals and teams)
10985	Conduct the disciplinary hearing
110009	Manage administration records
110075	Apply basic fire-fighting techniques
11286	Institute disciplinary action
114589	Manage time productively
11473	Manage individual and team performance
114877	Formulate and implement an action plan to improve productivity within an organisational unit.
115101	Address workplace hazards and risks.
115753	Conduct outcomes –based assessment.
116002	Conduct explosives environmental testing and interpret the results.
116007	Conduct explosives performance testing and interpret results.
116534	Carry out basic first aid treatment in the workplace.
119753	Perform basic welding/joining of metals.
12455	Perform the role of a safety ,health and environmental protection representative.
12466	Explain the individuals role within business.
12483	Perform basic first aid.
12665	Control production and resource scheduling and planning in a manufacturing environment.
13912	Apply knowledge of self and team in order to develop a plan to enhance team performance.
13914	Conduct a formal meeting.
13915	Demonstrate knowledge and understanding of HIV/AIDS in a workplace, and effects on a business sub-sector, own organisation and a specific workplace.
13952	Demonstrate basic understanding of the Primary labour legislation that impacts of the business unit.
14586	Monitor and control quality control practices in a manufacturing/engineering environment.
14609	Participate in management of conflict.

15234	Apply efficient time management to the work of the department/division/section.
242811	Prioritise time for self and team.
242812	Induct a member into a team
242813	Explain the contribution made by own area of responsibility to the overall organisational strategy.
242814	Identify and explain the core and support function of an organisation
242815	Apply the organisation's code of conduct in a work environment
242816	Conduct a structured meeting
242817	Solve problems, make decisions and implement solution
242819	Motivate and Build a Team
242821	Identify responsibilities of a team leader in ensuring that organisational standards are met
242822	Employ a systematic approach to achieving objectives
243025	Monitor machining process, interpret statistical process control charts, and rectify production problems
243301	Manage safety and emergency incidences
244108	Apply safety, health and environment protection procedures in a plant.
253656	Communicate with clients
254596	Manage time keeping records
259597	Explain emergency preparedness and response procedures
259604	Verify compliance to safety, health and environmental requirements in the workplace
259624	Control workplace hazards and risks
259722	Handle and care for materials
259723	Perform first line maintenance on equipment in the metals production process
259724	Prepare for maintenance in a production plant
259737	Complete finishing operations and dispatch product
259762	Demonstrate an understanding of HIV/AIDS and its impact on the workplace
233584	Interpret and produce engineering drawings and sketches
335855	Assemble or manufacture components
335856	Change and set tooling
335859	Operate and monitor production machines
335860	Read and interpret engineering drawings
335861	Perform marking-off for non-routine shapes
335862	Coat materials and components
335863	Identify and solve problems pertaining to production machines
335864	Use marking-off equipment for routine shapes
335865	Set-up production machines
335874	Prepare to set-up production machines
335875	Implement and maintain business processes.
335896	Prepares surfaces

338597	Mark off regular engineering shapes
335900	Monitor and adjust production machines
335901	Prepare to monitor and adjust production machines
7456	Use mathematics to investigate and monitor the financial aspects of personal, business , and national issues.
7468	Use mathematics to investigate and monitor the financial aspects of personal, business, national and international issues.
7480	Demonstrate understanding of rational and irrational numbers and number systems.
7818	Conduct on-the-job coaching.
8038	Operating lift trucks
8039	Operating cranes
8068	Accommodate audience and context needs in oral communication
8069	Interpret and use information from texts
8970	Write texts for a range of communicative contexts
8973	Use language and communication in occupational learning programmes
8974	Engage in sustained oral communication and evaluate spoken texts
8975	Read analyse and respond to a variety of texts
8976	Write for a wide range of contexts
8979	Use language and communication in occupational learning programmes
9007	Work with a range of patterns and functions and solve problems
9008	Identify, describe, compare, classify, explore shape and motion 2-and -3 dimensional shapes in different contexts
9009	Apply basic knowledge of statistics and influence the use of data and procedures in order to investigate life related problems
9010	Demonstrate and understanding of the use of different number bases and measurement units and awareness of error in the contexts of relevant calculations
9012	Investigate life and work related problems using data and probabilities
9013	Describe, apply, analyse and calculate shape and motion in 2-and 3-dimensional space in different contexts
9015	Apply knowledge of statistics and probability to critically interrogate and effectively communicate findings on life related problems
9016	Represent analyse and calculate shape and motion in 2- and 3-dimensional space in different contexts
9322	Work in a team
9889	Set up production machines
9890	Anticipate and troubleshoot machine functioning
9950	Plan learning events

117156	Interpret basic financial statements
118028	Supervise customer services standards
119454	Maintain and adapt oral/signed communication
119456	Write/present /sign for a defined contexts
119457	Interpret and use information from texts
119459	Write/present/sign for a wide range of contexts
119460	Use language and communication in occupational learning programmes
119462	Engage in sustained oral/signed communication and evaluate spoken/signed texts
119463	Access and use information from texts
119465	Write/present/sign texts for a range of communicative contexts
119467	Use language and communication in occupational learning programmes
119469	Read/view, analyse and respond to a variety of texts
119471	Use language and communication in occupational learning programmes
119472	Accommodate audience and context needs in oral/signed communication
119567	Perform basic life support and first aid procedures
